The executive team for this school year is as follows: Tanya Arsenault, President; Greg Alsop, Vice President.

-The PEI Home & School Federation prepares a monthly newsletter and that document is posted on the school's website under the "About" tab/"Home & School."

Seasonal Change:

We value the importance of play in the growth and development of our students. Please check the weather station each morning to ensure your child(ren) has/have outerwear to withstand the climate during outdoor recess play times.

-To avoid inconveniencing you by having to drop off dry clothing on those wet, muddy, weather days, it would be a good idea to pack a change of clothing (a spare set of socks, pants, mittens, etc.) in the backpack.

-The time will change on Sunday, November 1st. At **2:00 a.m.** clocks are turned **backward** 1 hour to **1:00 a.m.** local standard time.

Presenters:

-Grade 1 classes welcomed a representative from IWMC for a presentation on the procedure and importance of sorting garbage.

-Emily Reynolds, Fire Prevention Office, presented Grade 3 classes with information on fire safety.

Kindness Kits:

If you know of a family who would benefit from a weekend "Kindness Kit" package of food items, please contact Amanda Petrie (amandapetrie@edu.pe.ca) or telephone 902-368-6950 (office). On the last school day of each week, kits are placed in students' backpacks discreetly to maintain anonymity.

Water Bottles & Cutlery:

As an environmentally friendly feature, our school fountains are water bottle filling stations. As a result, students **must** have a water bottle at school. Also, we remind parents/guardians that students are required to bring their own cutlery and condiments. Unfortunately, we are unable to supply these items.

Welcome:

-Ms. Chinenye Okonta is the successful candidate for the Educational Assistant position.

-Luke Bootland, a Charlottetown Rural Co-Op placement student is volunteering and observing in KA for this semester.

A Note From PBIS (Mrs. Sulis & Mr. Anderson):

PBIS held an assembly on "respect" this month. Our first Prince Street News is completed and will be sent to teachers to show their classes. It includes student news anchors and a student reporter who interviews two students and two staff members about respect at Prince Street. PBIS also went into the classes from Grades 2-6 to review the school behaviour matrix and the bus matrix. We will review the bus expectations focusing on listening to the bus driver, staying in your seat and keeping your voice level low in a school-wide bus meeting Thursday.

Hands-On Learning Experience-Egg to Chick Program-Department of Agriculture:

Our Grade 2 classes were watching the development and hatching process of 24 eggs per class. A large number hatched (too active to count!) and they enjoyed them in nurseries for 3 days before they were returned to a local farm. Staff and students had an opportunity to visit the chicks as well.

Reminder:

Halloween dance Friday-P.M. (October 30th). Students and staff are invited to wear costumes—no masks—or dress in black and orange.
